RE: Alberta Summer Games Rugby 7's Zone Qualification Tournament Info

---

Hello Coaches,

Sunday June 4th, Rugby Alberta will be hosting North and South Zone Playoff Qualification Tournaments (field location and game time details to follow). Each team must be an existing club registered with Rugby Alberta that applies to Rugby Alberta to represent that Zone.

Each team must have a minimum of 10 and maximum of 12 athletes, two coaches and one manager. The athletes must live, go to school, or participate in a rugby club in the zone they wish to represent, and be born in the years 2008 and 2009.

All teams that wish to represent their Zone must submit the Declaration [Form](#) no later than Sunday, May 20th. The cost to participate in the qualification tournament will be \$150/team. Players must be registered members of Rugby Alberta. Payments can be made to [info@rugbyalberta.com](mailto:info@rugbyalberta.com)

The Alberta Summer Games will be hosted in Okotoks July 22-23. The cost to each athlete will be \$150.00. Included in this cost is transport to and from, as well as throughout the tournament, meals, accommodations, and Kukri rugby jersey unique to each zone. Alberta Summer Game Schedules will be the responsibility of Alberta Sport and will be available on their website. For more information regarding the Alberta Summer Games, please follow the link [2023 Alberta Summer Games](#)

Please don't hesitate to contact me with questions or concerns. We look forward to your participation, and kicking off Alberta Summer Games Rugby 7's.

Thanks in advance.

Peter Houlihan
